NOTIFICATION.

Dated the 2nd February 1898.

No. 789.—In exercise of the power conferred on the Chief Commissioner by Notification No. 302, dated the 4th February 1897, of the Governor-General in Council, the Chief Commissioner is pleased to make the following regulations under Section 2 of the Epidemic Diseases Act, 1897 :—

1. The Hospital Assistants stationed at the villages of Loni and Ichapur in the Nimar District shall watch all travellers passing into the Central Provinces by the highways which lead from the Khandesh border towards Burhanpur. Travellers coming from Khandesh by minor roads will be required by kotwals and patrols to proceed to Loni and Ichapur for examination by the Hospital Assistants. If any travellers appear to the Hospital Assistants to be suspicious by reason of their appearance, symptoms, or the dirty condition of their clothes and effects, or to belong to classes who cannot be readily traced or relied on to give information of the occurrence of plague among them, or who travel in bodies, such travellers shall be required to proceed without delay to the observation camp at Burhanpur, a report of the facts being addressed to the officer in charge of the camp, and sent by the hand of the Constable or peon under whose escort the travellers proceed.

2. The Hospital Assistant is on no account to insist on the inspection of females who are travelling under *pardah*; but if he has reason to suspect that a person who may be carrying plague infection is travelling under *pardah* with a view to avoid inspection, he may require all the travellers of the party to proceed under escort to Burhanpur as in the preceding rule.

3. Ordinarily no travellers shall be detained for inspection at Loni or Ichapur for a longer period than half an hour.

4. Any traveller who prefers to be examined at the observation camp, Burhanpur, may be escorted thither as in Rule 1.

5. Persons sent to the observation camp at Burhanpur under the preceding rules shall be dealt with by the officer in charge of the camp, as if they were passengers arriving by train at Burhanpur station.

6. All persons to whom a lawful order is issued by any officer acting in pursuance of these rules are required to obey such order.
