From

Surgeon-Lieut.-Col. W G. King, M.B., C.M., D.P.H.,

Sanitary Commissioner for Madras,

To

The Secretary to Government
Local and Municipal Dept.

Sir,

Adverting to the Budget Estimate of the Vellore Municipality for 1898-99, I have the honour to state that a provision of Rs 360 is made to meet the cost of Contingencies under Vaccination. A third of this sum will be the approximate cost of lymph obtained from Bangalore. As the extract from the budget letter forwarded to me does not refer either to Vaccination or Conservancy, I am unable to say what the remaining two-thirds of the allotment represent. The assignment for Conservancy is about 27 per cent of the anticipated receipts against 23.8 per cent set apart in the current year's budget. Statement II-B shows that there are no less than five assistant Sanitary Inspectors (all untrained) on an aggregate salary

Salary of Rs 90 per mensem besides a Certified Chief Sanitary Inspector on Rs 25 plus Rs 10. For a town of the size of Vellore, a supervising staff consisting of a Chief Inspector on Rs 50 plus Rs 15, assisted by two Certified men on Rs 20 plus Rs 15 each, is considered sufficient ^{for} requirements. I would accordingly recommend that the existing scale be revised with reference to the above. For want of information already pointed out, I cannot ascertain whether the Council means ^{to} improve the Conservancy plant available, as brought to notice in reviewing the last budget.

2. Under Grant I, seven new latrines are intended to be put up, at a total cost of Rs 1000 and a market estimated to cost Rs 14000 is proposed for execution piece-meal, the allotment on this account being Rs 1500. I would ^{as to the latter item} suggest that the Council be requested to obtain a loan for the whole amount necessary for the new market, instead of trusting to allotments year by year. Attempts to effect works by this method usually have most unsatisfactory terminations. In regard to the

the former, the allotment is manifestly insufficient, unless undesirable plans be adopted.

I have the honour to be,
Sir,
Your most obedient Servant,
W. H. M.
Surgeon Lieut Col,
Sanitary Commission for
Madras.
