THE

Plague Commissioner
Madras.

SIR,

Agreeably to para 2 of G.O. No 1023 P.
dated 7th September 1898. Some gentlemen
were requested to allow themselves to be
appointed as Supervisors in the towns of
Gooty, Anantapur, Hindupur and Tadipatri.
one of the above gentlemen
Mr. A. Madan, writes to me that he was
posted for the same duty at Hubli, where he receives
an allowance of Rs 2/per diem. I have the
honour to request that you will be good
enough to inform me if the same remun-
eration may also be allowed to the Super-
visors in this District.

I have the honour to be,

Sir,
Your most obedient Servant
Bannatyne Macleod

NOTE FOR THE Secretary d.d 19
Sept - 1900.

In para 5. G.O. 376.P. d 27 April 98.
p. 94. of the Plague Regulations.
Government called on all Circles to
report whether municipal towns had been
divided into "Circles" - in accordance with
Rule 3 - page 62. of the Plague Regulations.
These "Circles" are a rule form a "Division".

Then in G.O. 1023.P. d 7th Sept. 98.
Officials were ordered to prepare
nominal lists of suitable persons
to take charge, when necessary, of the
"Circles" referred to in the G.O.
para 5 - 376.P. d 27 April 98. upon
the head of this note - These
persons are the "Supervisors." referred
to in the Government of India Letter
read in the G.O. - They are to supervise
the "Circles" and to report to the "Circle".

The "Circles" will also have
Circle "Inspector" vide rule 6.
p. 63. of the Plague Regs.

The idea apparently is that
when Plague attacks a Town
Supervisors (Europeans or Europeans)
are to be appointed to look after the
Sanitary Circle Inspector and the

was apparently nominal list
of these men that Government called
for.

Mr. Macleod now asks whether
these men may get an allowance
of one full day as nominal
for the R2. a day at least.
They certainly will not work unless
paid. and therefore suggests
that the proposed remuneration of
R2. a day might be given them
if their services were required.

M. Kaminick.
