SUBJECT.

Forwarding letter from Chairman,
Municipal Council, Bezawada,
requesting to issue orders
to dispense with the
existing staff of Bubonic
Plague at Bezawada.

Consider whether it may be
dispensed with, He should however
consult the Sanitary Commissioner
taking any action in this direction.
2. As regards contribution towards
the cost of the inspection station at
Kondapalli, the Municipal Council
of Bezawada should first obtain
the order of the C.M. if it cannot
settle the matter by arrangement
with the S.T. Board - vide para 2 of
G.O. No 900 P. mis. of 13-4-97. The - G.

The papers forwarded by the Collr do not contain the resolution of either the St Board or the Municipal Council upon the subject and there is nothing to show that the question of contribution has been formally discussed by those bodies.

Proceedings of the Municipal Council, Bezvada.

DATED 18 — 4 — 1898.

PRESENT.

The Council proposes to discontinue the services of the whole Plague staff employed at Bezvada under the present circumstances.

The Council is of opinion that there is no need for a Plague establishment in this municipality at present. The Chairman is requested to obtain the orders of the Government representing the circumstances.

SIR,

In confirmation of this office
No. 642 I have the honor to
19.6.97,
inform you that as the Plague
Inspection Station is transferred
from Koudapalli and located
in Bezavada, I think it is
unnecessary for me to continue
any longer the observation
staff already entertained by
me and request you will be
good enough to inform me
what proportion the District
Board would contribute

The

for the cost of halting merinal
servants and supplies &c
now being incurred at Bezvada.

2. I beg to state that Bezvada
being the key of the Northern
Circars any benefit derived
from the observation here
ought to be shared by the
several municipalities and
Local Boards in the
Circar.

No. 2764

From

THE CHAIRMAN,

BEZVADA MUNICIPALITY.

To

THE Collector & President
District Board
for the Head Assistant
Collector

DATED

DEPARTED

RECEIVED

9th March 1898

SIR, With reference to your memorandum
No. 660 of 12.2.98, I have the honor
to submit herewith a copy of Municipal
Council's resolution
ch. $\frac{2}{5.3.98}$ for your perusal.

2. The municipality of Bezvada
has constructed plague sheds
at a cost of Rs 700 when the
Plague Inspection station was
transferred from Kondapalle
to Bezvada during the
festival under the orders of
the Government of India and
an observation staff has been
interdained long before Kondapalle
was made an inspection station
and it is still continuing

at a monthly cost of Rs 100 & add.
The total expenditure towards
the Plague establishment &
the construction of sheds up
to date amount to Rs 1300-0-0.

3. The Municipality of
Berwada is unable to maintain
such a costly establishment
with its meagre finances unless
contribution is obtained
from the neighbouring Munici-
palities & Local Boards
in Krishna & Godavari. This
unless it was brought to the
notice of the District Board
through my office N. 838 of
14.7.97 and no reply has yet
been received. A copy of which
is herewith enclosed.

4. Under G.O. N. 900 of
13.4.97 the Municipalities &
the Local Boards should
share the cost of the
inspection station where
they are adjacent to it. But
the peculiar circumstances

of this Municipality in being an
inspection station for some
time, and maintaining an
Establishment are to be
considered in my humble
opinion, in exempting it from
paying any contribution.

5. If you are not pleased
to exempt this Municipality
from paying contribution,
I request that you will be
good enough to advise me
whether I am to dispense with
the existing plague staff pay-
ing the contribution or
maintain the staff without
paying contribution.

I have to

Sir,

I have the honor to bring the following circumstances into your favorable consideration and request that you will be good enough to issue such orders as you deem necessary.

Not my prop,
but the D.B's
all

2. The President District Board in his proceedings dated 29-1-98 asked me to share the cost of the Plague inspection stations.

3. I represented the circumstances of this Municipality to exempt me from paying the contribution in any amount $\frac{2764}{11-3-98}$ & $\frac{838}{11-7-97}$ (Copies enclosed), but the Board disallowing my request, intimated me to address the Collector on the subject.

4. I have accordingly addressed

the Collector in myet $\frac{10}{1848} \frac{125}{8}$ and I
await reply on the subject.

5. This Municipality had spent
nearly 1000 Rs for building up at the
Railway station when the inspection
station was transferred to Beswada
during Puri festival. The
Municipalities of Maanlipatam
and Guntur being adjacent muni-
cipalities to Beswada I
think in my humble opinion
must share the cost under
G.O. No 900 M. dated the 13.4.77.

6. This Municipality maintains
a plague staff costing Rs 111
a month for the purpose of
examining the passengers that
arrive from trains and road
routes.

7. Under the present finan-
cial position it is very
hard for this Municipality
to share the cost of the inspec-
ting station at Roundapalli
maintaining the present
establishment of its own.

8. In conclusion, I
have the honor to request that
you will be good enough to issue

orders either to dispense with
the existing staff at Beswada
or to pay the contribution
to the Local funds as desired
by the President District Board,
exempting me from paying
any contribution under the
peculiar circumstances for
what has been expended
up to date.

9. A copy of the resolution
passed by the Council is also
enclosed.

I have the honor to be
Sir,

Yours most obedient servant.

Channan, M.C.

SUBJECT.

Requesting to issue orders to disburse with the existing staff on Bahane plague at Berwada or to pay the contribution to the Local Funds as desired by the P. & D. District Board exempting from paying any contribution under the peculiar circumstances for what has been expended upto date.

Forwarded

Mr. Secretary
Kistna.

Dis No 2415
General 98

Forwarded.

2. I do not see the present necessity of maintaining an expensive staff at Berwada. The danger of plague entering Berwada by road is at present remote, as there is no plague east of Hyderabad and any importation is far more likely to take place by train. The inspection at Kondapalli is far more likely to discover plague cases than any hurried inspection made by the Municipal Special Hospital Assistant at Berwada. It is not necessary to retain a special officer to keep under observation those persons who are reported by the Medical officers at Kondapalli to have passed through on their way to Berwada and those whose tickets show that they have come from infected districts. Nor do I think ~~any special establishment~~ absolutely necessary to have any special establishment to watch the boat traffic. Boats do not start from any point higher up the river than the frontier, and the danger of infection being brought by them is remote until the Hyderabad Southern Frontier Districts become infected.

On the other hand, Berwada ought to pay a share of the expenses of the adjacent examining station of Kondapalli. The District Board has fixed as a reasonable

Then who will examine these people
H

reasonable proportion the ratio of Municipal to Local Fund receipts, which seems to me very fair.
