Sir,

With reference to para 1
of G.O. No. 1166. M. dated 11th May 1897.
I have the honor to state that
it is not possible to put up
another latrine close to the one
near the private fish market in the
as suggested by the Deputy Sanitary
Commissioner in para 4 (b) of his
inspection notes embodied in the G.O.
under reply, as a suitable site is
not available. A special toty has
however been detailed for work
at the latrine which is now cleaned
as often as necessary.

The Sheep slaughter House has
since been repaired and put

put in proper order, and the
grounds surrounding the house
are also kept in a good condition.

3. The Lab Committee has not submitted its final report regarding the provision of burial grounds for Hindus. The Committee has been asked to send it without further delay, and as soon as it is received, it will be placed before the Council and its decision reported to Government.

4. The real owners of the Kandankulam Tank, Shobier Tank, and the tank at the foot of the west Hill barracks are not known, but they are treated as public tanks and occasionally repaired by the municipality.

5. A resolution of the Municipal Council on the subject is herewith submitted.

I have the honor to be
Sir,
Your most obedient servant
