Municipal Council, Cochin.

To

The Chief Secretary to Government,
Local and Municipal Department,
Madras.

Sir,

With reference to paras 3 and 5 of G.O. No. 1793 M, dated 14th August last, recording with remarks the Inspection Notes of the Deputy Sanitary Commissioner, I have the honour to report that it has been ascertained from a Sanitary Census made by the Municipality, that 2045 houses in the parambas are in a more or less insanitary condition, owing to the absence of scavenging.

2. These are mostly huts occupied by the Cooly classes. In the interests of proper sanitation, and in view to carry out the suggestion of the Sanitary Authorities, the Council has resolved at a meeting held on the 25th Instant to extend the scavenging system to these parambas also.

3. I have consequently issued the necessary notice

notices to the occupants of houses and land holders, under section 207 of the Act, and it is also intended to offer them the services of Municipal scavengers under the Act. The Council hopes that the benefits of the system will be appreciated by the people and that it can be gradually extended throughout the entire area of the Municipality. The number of houses at present served in the Fort and its vicinity amounts to 286.

4. Referring to the question of the proposed closing of the Inapilla burial ground, I beg to state that the Council has by resolution, referred the subject to Councillors M. R. Py, Hadan Handi Moideen kutti, Avergal, and M. R. Py & Ahmed kutti Hadji, Avergal, with a request that they consult their Community on the subject and ascertain their views.

5. The final action taken by the Council in this matter will be duly reported.

I have the honour to be,

Sir,

Your Most obedt. Servant,

S. Lache

Chairman Delegate.
