on the 6th, and the Kanapark case
was taken up first at my request.
It lasted from the 6th to the 11th
on which day judgment was delivered.
The 1st & 2nd accused (Pilllow and

and sentenced each to 5 years rigorous
imprisonment. The 3rd accused (Sayan
Kilnammah) was acquitted.

The Chinna Gajam case was taken up on the 11th and lasted until the 17th when the judgment of the court was delivered. Both accused were convicted and the 1st (Bellon) was sentenced to 4 years rigorous imprisonment and the 2nd (Sashakelambetty) to 5 years rigorous imprisonment.

Enclose for the information of Government a copy of the judgment in the Kanaparthi case. The judgment in the Chinna Gajam case was not ready when I left Madras.

I was assisted by the local Government Pleader and the Pleader who conducted the inquiry on behalf of the prosecution before the committing magistrate.

As the cases were complicated and I had only a short time to go through a large mass of oral & documentary evidence I

worked

worked on Sundays the 5 & 12 August. I have therefore included those days in my bill.

I returned to Madras on the afternoon of the 22nd instant and I was therefore absent from Madras for 2 working days (2 Sundays being included).

I am entitled to the sum of Rs. 3880-8-0 for my fee & as particularized below, and I accordingly request sanction of Government for payment of that sum.

FOR ORDERS.

For orders as to Mr. Powell's fees, he is entitled to
Rs. 175 per diem & expenses actually out of
pocket.

He left Madras on the 15th & returned on the
afternoon of the 22 August. For each of these
days he claims Rs. 175. The trials lasted
(1) from the 6th to the 11th (Sat) }
(2) from the 14th (Thurs) to the 17th (Frid) }.

The actual number of working days was
thus 10 out of the 21 for which he claims
payment. He includes 2 Sundays, as he
said he worked upon those days.

The batta is presumably part of the expenses "out

It would be a good opportunity now to rule
that, in future, the Govt. Pleader's fees, when he
goes up country, will be Rs. 175 p.d., Sundays &
holidays excepted, & that no expenses will be
allowed. That would be at the rate
of Rs. 4550 a month for each working month
of 26 days!

2. As the person nominated for
 the office of Secretary is a Sub-Registrar
 and as he will retain a lien on his
 appointment during the period of his
 "foreign Service", it was thought
 better to consult the Judicial
 Department before issuing final
 orders, and the papers were accordingly
 sent to that Department for remarks:

3. The Inspector-General of
 Registration who was consulted
 in the matter stated that although
 under Article 808 (b) of the Civil
 Service Regulations, the name of the
 Sub Registrar should be retained
 on the list of the Registration Depart-
 ment, substantive promotion
 being given him from grade
 grade

grade, yet it was for consideration whether it was not open to Government to make it a condition of transfer to foreign Service, that the officer transferred should forfeit his claim to promotion from grade to grade during his absence on such foreign Service, and as in the present instance, the Sub-Registrar himself sought for the appointment in the Municipality with a view to better his own interests, and as it was not certain that he would be promoted as a matter of course, if he remained in the Department, the Inspector-General suggested that M.R. Ry. P. Hanumanta Rao might be allowed a lien in the department, but that on the termination of his foreign Service, he must revert to the post which he held when he left the department. The Accountant-General to whom a reference was made in the matter, being of opinion that if the lien of the Sub-Registrar is suspended under Article 109 of the Civil Service Regulations, he will resume on his return to British Service the position he held when he left

left that Service, the Judicial Department now returns the papers with the remark that it has no objection to the appointment of the Sub-Registrar as Secretary provided it is distinctly understood that the Sub-Registrar when he returns to the Department will be replaced on the same position in the list as he now occupies and will not in the meantime receive any substantive promotion. It is therefore submitted that the appointment may be sanctioned on this understanding. The following draft order is submitted for approval:—

The proposed appointment of M.R. Ry. P. Hanumanta Rao as Secretary to the Municipal Council and the proposition submitted by the Chairman are sanctioned. It ~~should~~ ^{must} however be distinctly understood that when the nominee returns to the Registration Department, he will be placed on the same position in the list as he now occupies and will not in the meantime receive any substantive promotion.

SUBJECT.

Appointment of a Secretary
Adoni
~~Adoni~~

FOR ORDERS.

With his letter read above the Chairman of the municipal Council of Adoni. forwarded a resolution of the Council nominating in R.R. P. Hanumantha Rao the Sub Registrar of Adoni B.A. as its Secretary. The Council nominee has put in a total service of nearly thirteen years, but does not appear to have any experience of executive work. Considering however that the initial salary of the office is only Rs 100, it is not probable that the services of a more qualified man can be secured for the place. It is therefore submitted that the Council nomination may be approved. In the connection, attention is invited to the collector's remarks in para. 2 of his endorsement.

SIR,

In reply to your Memorandum No. 58
dated the 10th of January 1898, I have the honour
to state as follows:—

(a) A Sub. Registrar, accepting the appointment
of Secretary to a Municipality, should be placed
on Foreign Service of the 1st kind.

(b) His name should, under Article 808 (b), (1)
of the Civil Service Regulations, be retained on
the list of the Registration Department and shall
receive substantive grade promotion in due course so
long as he has a status in the service of the
British Government, apart from his particular
employment on Foreign duty.

(c) The Local Government can, under Article 109

and fill up his appointment provisionally but
he would have the right to resume, on his return

NOTE FOR THE CHIEF SECRETARY.

Under Art 842 C.S.R. the
Sub. Registrar will retain a
lien on an appointment in
the Registration Dept. Under

return to that Dept., the
same position as he now

Under Art 808(6) his name
will be retained (as seconded)
on the Registration Dept. list,
substantive promotion from
grade to grade being given him
in due course.

The Sub Registrar may therefore
keep his appointments as

Municipal Sect. until he
reaches the first grade of
Sub Registrar and 90, &
then claim to come back.

This seems inadvisable, & it
is submitted that the T.C.

Madras, 13th. December 1897.

Sir,

In reply to Official Memorandum, No.2674, Judicial, dated 6th. Instant, I have the honour to state that I have no objection to the transfer of M.R.R. P. Manumanta Rao, Subregistrar of Adoni, to the service of the Municipality. The transfer would seem to be subject to the condition laid down in Clause i of Article 806 of the Civil Service Regulations.

2. Article 842 no doubt allows the Subregistrar ^{to retain} a lien on his appointment in this department, but it seems desirable that some understanding should be come to with the Municipality as to the period for which the Subregistrar's services would be required. With reference to the note to Article 109, I would suggest that a period of three years may be fixed in the present case.

3. Referring to Article 808 (b), I beg respectfully to submit for consideration whether, in particular cases, it is not open to Government to make it a condition of transfer to foreign service that the officer transferred should forfeit his claim to promotion from grade to grade during his absence on such foreign service. In the present instance, the Subregistrar has himself sought for the appointment in the Municipality with a view to

to better his own interests, and his past career in this department (vide extracts from the conduct register etc. enclosed) has not been such as to render it certain that he would be promoted as a matter of course if he remained in the department. Possibly he may prove more useful in his new sphere of work, but I see no reason why, by leaving the department, he should obtain a guarantee as regards promotion which, in all probability, may be denied to him if he remained in his present post. I accordingly beg to suggest that M.R.R. P. Hanumanta Rao be informed that he will be allowed a lien in the department, but that, on the termination of his foreign service, he must revert to the post which he held when he left the department.
