PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Superintendent of Stationery, Madras, No. 687 dated 29th September 1898:—

The Collector of Ganjam in his letter No. 1157/Eng., dated 7th September 1898, requested the supply of two rubber stamps bearing the impression "Plague" for affixing on Plague correspondence. The issue of the stamp being unauthorized, I requested the officer to obtain the sanction of Government

for its supply if he should consider it an absolute necessity.

2. The District Medical and Sanitary Officer of Anantapur has forwarded an indent for a rubber stamp of the enclosed pattern for a similar purpose to Messrs Addison and Co., direct who sent a copy of his letter to this office with the intimation that they are executing the order in anticipation of sanction. As Plague Camps are being opened in various parts of this Presidency, I anticipate similar requisitions from other officers also. Under these circumstances, I solicit the orders of Government as regards the supply of stamps to Plague officers with particulars of standard designs, if sanctioned.

O R D E R:— No. 955, dated 27th October 1898.

The Government considers that it will suffice if Collectors, Divisional Officers, District Medical and

Sanitary

Sanitary Officers, and Civil Surgeons are supplied with a rubber stamp bearing the impression "Plague!"
