Office of Sanitary Commissioner,
Fort St. George, 24th February 189

No. 429
S

From Surgeon-Lieut.-Col. W G. King, M.B., C.M., D.P.H.,
Sanitary Commissioner for Madras,
To The Secretary to Government,
Local and Municipal Department.

Sir,

I have the honour to state that the Conservancy expenditure proposed by the Srivilliputtur Municipal Council for the ensuing year is much below requirements, amounting as it does to only 17.7 per cent of the estimated receipts. The provision should be largely added to with reference to the following remarks:-

- (1). Epidemic charges which are placed at Rs 400 should be raised to Rs 1200.
 - (2). The Council's proposal, contained in para 20 of the Chairman's letter, to entrust in part the Sanitary Supervision of the town to its office Manager is injudicious and ill-advised. Such an arrangement will, besides interfering with the legitimate work of the office, prove in the long run detrimental to public interests. I would advise that a Certificated Sanitary Inspector on Rs 20 plus Rs 15 be entertained at once, and that under him be placed two Conservancy Overseers on Rs 10 each to assist him.
 - (3). The scavengers who are only 22 strong should be increased in number, so that there may be in relation to the population to be served 2 for every 1000 living.
2. Under Grant I, a sum of Rs 100 is set apart for the erection of a public latrine. The allotment is insufficient for the purpose.

I have the honour to be, Sir,
Your Most Obedient Servant,

W. King
Surgn: Lieut: Col:
Sanitary Commissioner for Madras.
