ENCLOSURES.

C. No 35-1 P.
KURNOOL COLLECTOR'S OFFICE,
KURNOOL,
Dated 8th April 1898.

FROM

Mahommed Razakhan Esq
COLLECTOR OF KURNOOL,

TO

THE SECRETARY TO Government,
Local and Municipal Department,
Madras.

SIR,

*No 466 P
relates to the working
of the 17.*

In Continuation of my letter No 1240 dated 29.3.98, I have the honour to state that the Agent, Southern Maharashtra Railway wires that the duty of issuing passports can be done by the station masters at small stations and not by those at large stations as it would interfere with their legitimate duties and requests me to arrange to post special men for the work at Idumool Road, Hanagal and Cum bum. I beg to in this connection to submit that the observation of passengers from infected areas has been carried on since May 1897 in accordance

with my

2
with Government Order No. 992 dated 26.4.97
Miscellaneous, by the Medical Subordinates
at Madikeri, Kumool Road (Shene),
Kandyal, Giddalore, Cumbum and
Maskapur who have been invested
with the powers referred to in Regulation
3 of the plague Regulations as directed
by Government. The District
Medical and Sanitary Officer, however,
suggests that the daily attendance of
these subordinates at the respective
stations may be dispensed with as
some of them have to travel long dis-
tances from their hospitals or dispensaries
and that the examination of passengers
by Medical Subordinates may be limited
to Kumool Road and Kandyal, special
men being appointed for the duty, at
these stations. I think that in view
of the representations of the Agent,
Southern Maharashtra Railway, and the
District

3
District Medical and Sanitary Officer
a special subordinate is indispen-
sable for Kandyal and I have asked
the Sanitary Commissioner to send
me an Assistant Sanitary Inspector
who may, as stated in para 5 of
my letter No. 593 dated 2.3.98, be
entrusted with the duties of looking
after the sanitation of the Kandyal
town and the examination at the
Railway station of passengers from
infected areas and the furnishing
of the necessary intimation of their
arrival to the officers concerned as
also the issue of the prescribed pas-
ports to them. In the case of Kumool
Road and Cumbum the Medical Sub-
ordinates have to travel only 2
furlongs and one mile respectively
and the duties above described in
the case of the Kandyal Assistant
Sanitary

Sanitary Inspector may be performed
by them in their respective stations.

Regarding the remaining stations
the inspection by Medical officers
may be dispensed with, the only
continuing the arrival of
passengers from infected areas
and issuing passport to them
being done by the respective Station
masters as agreed to by the Agent,
Southern Maharashtra Railway.

2. An Assistant Sanitary Inspector
will be employed for Cumbham also
if one is found to be absolutely
necessary.

I have the honor to be,

Enclosure.

SIR,

With reference to official memorandum N° 13 P. dated 4th instant, I have the honor to express my regret that it should have remained so long untransmitted. The document was mislaid. I am of opinion that except in reference to Nandyal and Markapur the District Medical and Sanitary Officer's objections to the employment of medical subordinates for inspection duty, namely, that they have some distance to travel, need not be considered.

BACK PAPERS.

G.O.	No.	Department.	Date.

work should be conducted by medical subordinates, for it may be assumed as certain that the duty will be performed perfunctorily by hakim masters, even if their training sufficed to attract their attention to a man suffering from suspicious symptoms - such as fever. In the case of these two stations, the medical subordinates might be held responsible for inspections sufficiently often to assure himself that the work is being correctly and efficiently performed, by the officers responsible. In the case of handyat, I think the correct course is to appoint, as suggested by the Collector, an Assistant Sanitary Inspector. In the case of Markapur, I would
