THROUGH THE COLLECTOR OF
SALEM.

Sir,

Adverting to the Concluding portion of para 2 of G.O. No. 195th, dated 25th January 1898, reviewing the municipal budget of the Vaniyambady Municipality for the year 1898-99, I have the honor to report that the Jaluz Board of Sirappattur proposed to Construct a travellers' bungalow at Vaniyambady, as at present there is none, and on requisition by the Board for aid towards the cost of Construction, the Council agreed to pay a contribution of Rs 400. The agreement between

between the Board and the Council was that the building should be constructed at the cost of the Taluk Board receiving only Rs 400 from the Council as contribution and that the maintenance and management of the building after construction should be taken up by the municipal Council. Accordingly provision was made in the budget for 1897-98 for the entertainment of the required establishment (viz watchman) and for other contingent charges such as furniture etc.

2. The provision made by the Taluk Board of Tirupattur for the purpose was struck out by the District Board for want of funds (vide para 17 of the letter of the Salem District Board President embodied in G.O. No 2782 dated 11 February 1897). This is the cause of abolition of the travellers' bungalow establishment and the provision made for the purpose was therefore omitted in the revised estimate for 1897-98.
