Office of Sanitary Commissioner,
Fort St. George, 21 February 1898

No. 354
S

From

Surgeon-Lieut.-Col. W. G. King, M.B., C.M., D.P.H.,
Sanitary Commissioner for Madras,

To

The Secretary to Government,
Local and Municipal Department.

Sir,

I have the honor to state that I have no remarks to offer on the provision made by the Dindigul Municipality in its Budget for 1898-99 for the conduct of Vaccination in the town. The proposed expenditure on conservancy is only 22.5 percent of the ordinary current receipts and is inadequate for requirements, as pointed out in my letters on previous budgets. Statement II-B shows that the conservancy supervising staff is composed of 2 sanitary Inspectors on Rs20 each and 6 Maistries on an aggregate pay of Rs37½. I would advise that the two Sanitary Inspectors be replaced by a certificated man on Rs35 plus Rs15 and that in lieu of the Maistries two conservancy overseers on Rs12 each be employed. The services of a peon on Rs6 should also be placed at the disposal of the Sanitary Inspector. These proposals will involve an extra cost of only Rs2½ per mensem. The number of scavengers is not in proportion to the population to be served and should be increased by at least 11.

I have the honor to be,

Sir,

Your Most Obedient Servant,

W. G. King
Surgeon Lieut:Col:
Sanitary Commissioner for Madras.
