LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From F. C. HARRISON, Esq., Accountant-General, to the Secretary to Government, Local and Municipal Department, dated Fort St. George, 2nd March 1898, No. L.F.D.—788.

I have the honour to inquire whether, with reference to G.O., No. 1602 M., dated 25th November 1889, it is necessary for the audit notes on municipal accounts to pass through the Collector of the district. As Government is aware, all objections of importance are embodied in the audit reports which are sent to Government by me through that officer and the Chairman, while the notes only set forth the minor defects discovered during the audit. There seems, under the circumstances, no necessity for their transmission through the Collector. The practice involves loss of time and is of little value.

ORDER—No. 582 M., dated 15th March 1898.

The Government agrees with the Accountant-General in considering that the audit notes on municipal accounts need not be forwarded through the Collector.
