Mis ORDER. No. 587 Muis 2/16/3/98

The scheme for the extension of the Dindigul water-works sanctioned in G.O. No 14 m, dated 8th January 1897, having been abandoned on the recommendation of the Sanitary Engineer - vide G.O. No 546 m, dated 10th March 1898 - the Government considers that the question of a loan and grant for this purpose must lie over for the present. FOR ORDERS.

It seems to me so very doubtful
when & how the extension of the Dindigul
Sul water scheme can be assumed
that I think the questions of the
loan & grant must lie over. A
further present, however inconvenient
it may ultimately prove to be that they
should do so. When the time comes,
we must hope to be able to make
out a special case for granting
the required assistance.

Please get the report about this from
the San. Bd. - Mr. Clark - must look at
it before I can pass on the loan BS

In the Government order read
above, the application of the Municipal
Council of Dindigul for a loan of ~
Rs. 11,250 required for the extension of
the water-works sanctioned in G.O. No. 14
M. dated 8th January 1897, was published
in the Fort St. George Gazette. The
period of one month fixed in that
order for the receipt of objections, if
any, having expired and no objection
having been received, the application
has now to be sanctioned. But in
paragraph 2. of his letter in the linked
file, the Sanitary Engineer states that
the allotment of Rs. 22,500 for expenditure
on the extension of the water
works is now surrendered and can
be reallocated next year, by which
time another scheme will have been
worked out. As the loan in
question

question as well as the grant of
Rs. 11,250 for which provision has been
made in the revised estimate of
Provincial grants and loans for the
~~current~~ next year will lapse if they are
not drawn before the 31st March 1898,
and as there is no prospect of pro-
viding for them for sometime to come,
it is submitted that the loan
application may now be sanctioned
and the Council required to draw
the loan and grant at once to be
utilized hereafter when the new
scheme has been sanctioned.

NOTE for the Local and Municipal

Department

I know - But what
is done in such cases
then?

hs
1/2798

It is financially objectionable
for the Municipal Council to draw the
loan and grant if they cannot be utilized
for the objects for which they are
required immediately. This has been done
in the past but the Account Officers
are bound to object sooner or later
