FROM

Ag. COLLECTOR AND DISTRICT MAGISTRATE,

North Arcot,

TO

THE

Plague Commissioner

Madras.

SIR,

The Ambulance staff already formed in this district has been ordered to be kept at Palmaner on the Mysore plateau. All the imported cases reported from this district within the last two months have occurred in the plains. I also understand that almost all the refugees from Bangalore and other infected areas go straight to villages on the plains to the houses of their relatives or friends. They do not seem to stop in the villages on the plateau. I consider therefore that an Ambulance staff is necessary

necessary for the plains. I have therefore
the honor to request that you will be
so good as to sanction the formation
of a 2nd ambulance staff for the
talukks on the plains and to have
its head quarters at Vellore. If this
cannot be done, I request that
the existing ambulance staff may
be moved to the plains, though I
should prefer a second ambulance
staff.

I have the honor to be,
Sir,

Your most obedient servant,

V. S. S. S. S.
