ABSTRACT.

PRECIS.

Urgent

SIR,
With reference to your letter No. , dated the
of 189 , I have the honour to inform you that
I have been given to understand that in
the event of my passing through plague
infected areas in the course of my
official tours, I shall be required to
obtain a pass-port before returning to Madras,
and, that I am required to report myself
to a stative Subordinate at the Police
Station nearest to my residence for 10 days
after my return. I would enquire if
this is correct, or if I am to be considered
exempt from such proceedings.

Sir,
With reference to your letter No. 5406 of 5th Nov 1898, I have the honor to be, Sir, Your most obedient servant,
W. Wood
Superintendent, Madras Division.
This small inconvenience may well be put up with in my opinion in view of the importance of the duty being done out of the city.
area you will be liable under the plague regulations to be quarantined for 10 days. Valued to you if you are anxious to observe you from other and you will have to attend there. If he exempts you from the usual 10 days of quarantine in the hospital then you will be exempt from attending daily to the medical officer in good health. I may remark that when I return to Madras you are to ensure that you are appointed daily - I do not find any thing more to attend to having to be in attendance of a few days a day.
