Sir

With reference to your letter No 66/P.C. dy 19-9-98, I have the honour to inform you that the Govt has, in its Order No 1164 P. dy 26-9-98, decided that the Govt of India exemption relates only to Sheds used for passengers detained for observation, and not to Sheds erected at Rly Stations for the purpose of conducting the examination of railway passengers. The latter Sheds are ordered to be erected only when the existing Station accommodation does not afford proper facilities for the examination of passengers and the

READ the following paper:—

From the Plague Commissioner, End. No. 6, dated 21st September 1898, submitting letter from the Collector of Salem regarding accommodation at Jalarpet for the Medical staff with the endorsement that he would personally see the necessity for it

Order No. 1167 P.Mis., dated 26th September 1898.

The Plague Commissioner is referred to G.O. No. 1164 P, dated 26th September 1898, directing that Railway Companies should bear the cost of inspection sheds erected at or near railway plat-forms and stating that the Government of India letter exempting them from the cost of plague sheds applies to sheds for persons detained for observation.

Madras Railway Company

Agent and Manager's Office

Royapuram Terminus

Madras, 14th September 1898

From

The Agent and Manager,

Madras Railway Company.

To

The Ag. Collector and District Magistrate,

Salem.

Sir,

In reply to your letter of the 11th instant, I beg to say that I am very strongly of opinion the Company's waiting rooms at Jalarpet should not be used by the Medical Plague Staff.

2. Apart altogether from the objection which the public have to be placed in contact with Medical Subordinates, who may a few minutes previously have been in contact with an actual case of plague, is the fact that the waiting rooms at the Jalarpet Station are small and are not more commodious than is necessary for actual travelling passengers.

3. I have represented to Government that we are being called upon on the Madras Railway to pay for sheds and other accessories which

in Norther... provided for plague operations at the expense of the state and I regret, therefore, I cannot at present accede to your request to erect a shed for housing your Medical plague people at Jalarpet.

4. I would remind you that your principal plague officer has, by the courtesy of the District Traffic Superintendent, been allowed to share his house with him and that we have already given over to you until you can make other arrangements, a building which has been put aside for Church purposes.

5. Here as at other Stations we have increased expense and have rendered every possible assistance to the plague authorities but we contend under the Government of India orders we are not liable for the cost of sheds and other buildings which the plague authorities require in Station Compounds.

6. Unlike Arkonam and Tungabhadra, Jalarpet Station is furnished with very ample covered platform accommodation.

Plague Commissioner

Sir,

The Medical officer in charge of the Railway Plague inspection Station at Jalarpet having reported that objection was being taken by the Railway authorities to the use of the waiting room by the Inspecting staff and that the lights put up at the platform were insufficient, I addressed the Agent and Manager M.R.C. asking him to have an inspection shed put up on the platform with reference to para 4 of Ge. G. no 841 P. dated 18th August 1898 and to have it properly lighted. The Agent and Manager in his letter no 11273/8957 dated

dated 14th instant (Copy enclosed) repudiates the liability of the Company to provide Sheds etc in the Station Compounds and says that he cannot accede to my request regarding the erection of a Shed, and that he has made a representation to Government in the matter. Mr Reid says that a Shed is necessary and that the State of the platform during the wet weather is very bad. The Medical staff must have some place of accommodation on the platform, and moreover a Shed is necessary for careful examination of Suspicious passengers. I have the honor therefore, to submit the matter for orders.

I have the honor to be
Sir
your most obedient servant

Acting Collector.
