COLLECTOR OF

To

THE

SIR,

In forwarding herewith a copy of letter no 279 dated 2nd November 98, received from the District Medical & Sanitary Officer, Amritsar, I have the honour to request that you will be good enough to inform me if passes may be issued to such persons that leave Guntakal for Beldary to keep provisions & return to Guntakal the same day.

G.O. no 1079 P of 15th September 98 & 1080 P dated 15th September 98 relate to the instructions intimating of the passage of persons being sent to the local authority of the place in case when they change the place of residence before the ten days' observation is over, but they

they do not say whether passports should
be issued to persons who remain only
a few hours in the place of destination
and cannot consequently place themselves
under observation. Issue of passports
as stated by the District Medical & Sanitary
officer will cause confusion to the
Bellary Local authorities in such cases
as the passport holders return to Gun-
taval before the Duplicate Passport
& Intimation form can reach Bellary.
As persons are examined when passes are
granted to them and again when passes
are taken away from them, I think the
passes alone will do though Bellary is
outside of this District.

I have the honour to be,

Sir,

Your most obedient Servant

Bannatyne Macleod
Collector

No 279

Office of the Dist. Medical
& Sanitary officer
Anantapur 20th November 18

From,

Captain R. Robertson,

I.M.S

Dist. Medical & Sanitary officer,

Anantapur.

To

The Collector of

Anantapur District.

Sir,

I have the honour to enquire whether
if passes may be given to Guntakal residents
proceeding to Bellary for provisions and re-
turning the same day and having no fixed
residence in Bellary. Passports will only
confuse the Bellary authorities & serve no
useful object as the passengers will
have returned before the duplicate passport
& Intimation form have reached Bellary.
Para 32 A.D. Infassal — Plague Rules
states Passes will not cover residence
outside the infected area but residence
is not desired in above quoted cases.

I have
