Local and Municipal Department.

See

With reference to your Memorandum dated 4th Instant No 250, I have the honor to report that sanction of Government for extending the levy of the tax on arts to the 8th and 9th classes was not obtained by oversight. The extension was sanctioned by the Council - vide copy of its proceedings enclosed. The demand under tax on Arts was much reduced on account of the amendment of Schedule A of

of the Act. Even the extension
of the tax to the last 2 classes has
made up the deficiency in the income
from that source. The want of funds
for cholera charges and some sanitary
reforms is also greatly felt. The tax
in the last 2 classes has been collected
in full for the two halves of the
current official year. The net demand
under the 1st 7 classes for 1896-97 is
Rs 917-8-0, and the net demand under
the 1st 9 classes for 1897-98 is Rs 571-8-0.
I request therefore that you will
be good enough to obtain the
sanction of Government for the
extension.

Memorandum.

Dated the 11th March 1898.
No. 250

The following points are noticed in the budget statements:—

(1) From the Note to Statement I, Chem, it appears that the tax on arts is levied on all the classes of the Schedule, but in the note to the corresponding statement for 1897-98, it was stated that this tax was levied only on the first seven classes; and its extension to the eighth and ninth classes has not been sanctioned by Govt.

(2). In column 2. of statement II, the amount provided for the acquisition of the land required for a public latrine should have been shown under Grant 1.1.6 Buildings and not under Grant 4.9. IV compensation for lands.

The discrepancy

noticed in clause (1) above should be explained as soon as possible.
