PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper.

Telegram to the all Collectors of districts, No. 544 dated 12th September 1898.

Telegram to the Surgeon-General, No. 545, dated 12th September 1898.

Letter from the Surgeon-General, No. 384, dated 3rd October 1898.

O R D E R:-No. 923, dated 21st October 1898.

With his letter read above the Surgeon-General submits three lists of Medical Plague Establishments Provincial, Local and Municipal.

2. PROVINCIAL. The Provincial list does not show whether the establishments fall under 24 D MEDICAL-GRANTS FOR MEDICAL SERVICES or under 24 A MEDICAL ESTABLISHMENTS.
3. Anantapur. Two retired senior Assistant Surgeons (Pay Rs. 325 each) have been erroneously shown under Local instead of under Provincial.
4. North Arcot. An Assistant Surgeon on Rs. 100 pay + Rs. 60 plague allowance is shown under Local instead of under Provincial.
5. LOCAL. The pay and allowances of a retired Military Assistant Surgeon (Rs. 150 of 100) at Coimbatore have been wrongly debited to Local instead of PROVINCIAL.

Kanara. The Collector's list shows one Hospital Assistant (Pay Rs. 35+10 allowance) but the Surgeon-General's list shows two subordinates on the same rate of pay and allowances.

Municipal. The Surgeon-General shows against Mundana a Hospital Assistant (Rs. 35+10); but the Collector in an earlier letter reported that the services of this subordinate were dispensed with as soon as cases suspected to be plague were found not to be so.

Ganjam. The list submitted by the Collector showed one Hospital Assistant (Rs. 25+10) and 3 Hospital Assistants (Rs. 25 each) but the Surgeon-General's ^a letter list contains none of these items.

The statements submitted by the Surgeon-General contain no information regarding nurses employed by local bodies.

The Surgeon-General will be requested to revise his lists with reference to the foregoing remarks and to resubmit them as early as possible after having them brought up to date.

The attention of all Collectors will be drawn to the instructions already issued to them to report to the Financial Department all alterations at in Plague establishments immediately such alterations are sanctioned. The Surgeon-General will observe the same rule as regards establishments under his charge and the Plague Commissioner will be requested to ensure that all sanctions accorded by him are likewise reported without delay.
