Respected Sir,

I beg to state that on the 19th August last, I was served with a notice of demand by the Srirangam municipality for Profession tax under Sec 53 of Act No IV of 1884. Having had reasons to believe that the notification referred to in Sec 53 was not published in the District Gazette, a reference was made by me to the Chairman, who in reply stated that the notification was published in the District Gazette dated 18th April 1892. This notification runs as follows:— "The Municipal Council hereby notifies that as sanctioned by Government in its order No 336 M dated 19th ultimo, the tax on arts, professions, trade and collections callings will be levied in this municipality from 18th April next at the rates specified in all the clauses mentioned in the schedule annexed to the said act."

(Sd) Syed Kadir Padsha
Chairman

2. I am inclined to think that the above notification does not cover the pensioners who are recently deemed to be persons holding an office or appointment within the meaning of Sec 53.

3) I therefore beg to be informed whether a fresh notification as regards pensioners

is not necessary.
