From

Office of Sanitary Commissioner,
Fort St. George, 17 March 1898
LOCAL & MUNICIPAL DEPT.
CURRENT TO 1079/M
Surgeon-Lieut.-Col. W. G. King, M.B., C.M., D.P.H.,
Sanitary Commissioner for Madras,

To

The Secretary to Government,
Local and Municipal Department.

Sir,

With reference to para 2 of G.O.NO.393 M dated 17th February 1898, I have the honour to state that, although as remarked by the Collector the area to be traversed daily by the Sanitary Inspector in the morning and evening is not large, I am of opinion that it is advisable that this official should have a pony to effect rapid movement from one end of the town to another and to secure thorough supervision of the working of the staff under his control. I need not add that the possession of a pony would be of very great advantage in times of epidemic outbreaks.

I have the honour to be,

Sir,

Your Most Obedient Servant,

W. G. King

M.B., C.M., D.P.H.,

Surgeon Lieut Colonel,

Sanitary Commissioner for Madras.
