"Indian Engineering."

7, Government Place, North,

Calcutta, 8 March 1892

To The Chief Secretary
Government of Madras.

Sir,

I have the honor to submit, for the con- sideration and order of Government, the an- nual correspondence which took place be- tween myself and the Chairman of the Viza- gapatam Municipal Council, on the subject of the payment of the cost of publishing in "Indian Engineering" an advertisement received from the Chairman.

The facts of the case are these: The Chair- man was advertising in the public Press for graduates in Engineering or person holding a Diploma of A.C.E. or I.C.E. for the post of Secretary. As this advertisement was suba- ble to my Journal, and as many men of the class wanted looked to it for vacancies, I went to the trouble and expense of wiring the advertisement, in order to secure it.
