Plague

Copy of Letter No 791/1.11.98 from the
Medical Officer in Charge of the railway
inspection Station Junghadra to the
Collector of Bellary

I have the honour to bring the following
to your notice for favourable consideration.

Since the occupation of the camp there
has been one man employed as a watch-
man on Rs 6/- a month. He has to look
after the sheds so that white ants may
not be destroying the material and as the
place is infested with white ants and nothing
perishable is safe from their inroads. He
has good lot of work to do on that line.

Besides his legitimate duties he
has to see to cleanliness and lighting of
the camp lights and as they have been
visibly increasing, the work has increased
in proportion.

I request therefore that his appli-
cation for an increase of pay from Rs 6/-
to Rs 8/- may be sanctioned.

Forwarded to the Plague Commissioner
with the recommendation that the

increased rate of pay may be sanctioned,
As stated by the medical officers, the
sheds have become infested with white
ants and the servants work has largely
increased.
