Copy of Letter No 401/14.10.98 from the
Medical Officer in Charge of Railway Ins-
pection Station Hospet to the Collector of
Bellary

I have the honor to forward herewith
an indent in duplicate for 3 thermometers
for the use of the plague camp at Hospet
and to request that you will be good enough
to get the necessary sanction for their
purchase at an early date.

Indent for the medical instrument require
for the use of the plague camp at Hospet Bellary
D^y.

Name of instrument	No. in stock	No. re- quired	Number sanctioned	Remarks
Clinical Thermometers	1	3		

Collector's Letter No Ref no 1929-8/18.10.98
in reply to the above.

Adverting to your letter 401/14.10.98 I
have the honor to inform you that your
indent for equipment for the Hospital
Camp attached to your station which

included 3 thermometers, was forwarded for orders to the Plague Commissioner on 21.9.98. Another indent for 3 thermometers required for passenger inspection work was returned to you with remarks on 1.10.98.

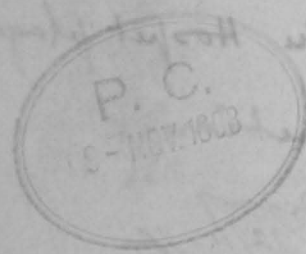

Please state for what sort of work the three thermometers now indented for are wanted; if for passenger inspection work, please return the previous papers - if for hospital work, please say whether any thermometers for that work have been supplied as yet.

Medical Officer's letter no 430/21.10.98 in reply to the above.

My indent dated 18th September 1898 for certain articles required for the camp was returned by the Plague Commissioner through the Surgeon General stating that the articles were already sanctioned in L.O no 717 of 26.7.98. Only two thermometers were supplied to the camp when it was first started, out of which one was broken and so there is only one in stock. It is very difficult to manage with a single thermometer in the camp for hospital and platform work

and therefore I sent an indent for 3 more thermometers on the 14th instant which I request that you will kindly sanction at an early date.

I forwarded through the Surgeon General to the Plague Commissioner for favour of early orders. It is not known in this office whether the thermometers will be supplied from the Medical Store, Madras, or should be purchased from some firm.
