PROCEEDINGS OF THE PLAGUE COMMISSIONER.

READ—the following papers :—

From B. MACLEOD, Esq., M.A., Bar.-at-Law, Collector of Anantapur, to the Plague Commissioner, Madras, dated 31st October 1898, R. C. No. 642.

I have the honour to state that the Sub-Magistrate on plague duty at Guntakal supplied to the sepoys employed in disinfecting houses, &c., mats required by them for flooring the tents and also bamboos for putting up kitchen sheds. They further require every day firewood to boil 10 or 12 big pots of water for disinfecting men engaged in cleaning houses. The Deputy Collector on plague duty enquires whether these items of charge can be met from the plague funds.

In slip No. 1/6 of 1st September 1898, attached to page 131 of the Plague Regulations, it is stated that all expenditure connected with troops employed on plague duty is Imperial and need not be included in the civil estimate of plague charges. I therefore request your instructions in the matter.

Ref. on C. No. 970.

Forwarded to the Accountant-General for favour of opinion.

3rd November 1898.

(Signed) M. HAMMICK,
Plague Commissioner.

From T. HESKETH BIGGS, Esq., Accountant-General, Madras, to the Plague Commissioner, Madras, dated 8th November 1898, No. 4922.
