THE SECRETARY TO THE COMMISSIONER OF

Fort Saint George,

Madras.

SIR,

With reference to para 3 of G. O. No. 1220-P,
dated 3rd Ultimo, I have the honour to state that
the Medical Officer, Jalarpet, has discontinued
sending slips by Railway Guards to the
Passport issuing officers at Railway Stations,
since the special ticket punches ^{were} ~~are~~
supplied. Passports are now issued to all
passengers re-booking at Jalarpet and
intimation sent to the District Medical
and Sanitary Officer of the District to which
the traveller proceeds under Regulation 17(c).
Their fresh tickets are punched. The
Medical Officer, Jalarpet, says that no
further measures are necessary. He adds

That

that the sending of the intimation entails
much extra work. This additional in-
timation by the guard to the passport
issuing officer is not contemplated in the
rules and I think it is unnecessary.

I have the honor to be
Sir

your most obedient servant
