Order:—

The Plague Comr. sanctions the following establishments for the Salem St.

- (1) one stockkeeper on Rs 80 for the Jalapet camp.
- (2) one clerk on Rs 25 for the Collr's office in lieu of the addl clerk applied for on account of the office of D.M. & S.D. 19

The sanction is registered on 14/11/98.

" Accountant Genl

Note. Please see another draft on the current staff.

(2) There are no stockkeepers for the camp at Hospet & Imphalbadra, the duties of ~~the~~ connected with stores being attended to by one of the Hospital Amntrants. Perhaps Rs 80 is too much. As there are 2 medical officers at the Jalapet station, a man on lower pay, say a Rs 40, may be enough, to work under the medical Officer

Jalapet circumstances are quite diff. at Hospet the Tahsildar is on Rs 250. at Tanjavur the people do not know the people here as at Jalapet - Jalapet camp has a number of people in malaria & safety - a diff. & necessary in my opinion

From

Ag. Collector of Salem,

Salem.

To

The Plague Commissioner,

Fort Saint George,

Madras.

Sir,

With reference to your proceedings Ref. On. C. No.1056P, dated 8th instant, I have the honour to report that in my letter No.413, dated 17th October last, I stated inter-alia that the work of supervising the arrangements in the Jalarpet camp could not be efficiently performed by the medical Officer or Assistant Surgeon who had enough work on the platform, that in anticipation I was deputing an Officer of the Deputy Tahsildar's grade as camp Superintendent and requested formal sanction(vide para 7) and my proposals were sanctioned in para 2 of your Proceedings No.221, dated 18th October 1898. The appointment of second Medical Officer instead of the Assistant Surgeon, has not altered the position. I deputed the then Deputy Tahsildar of Harur for the work. Within a few days of his joining he fell ill and I have now sent another officer. The pay of the Superintendent is fixed at Rs.80. I request that the appointment may be sanctioned. I may add here that under Additional Mufassal Regulation 27, it seems, the Collector can appoint camp Superintendents. 24A.Medical. Though the District Medical & Sanitary Officer has no objection to supervise the working of the passport system. I think it desirable to transfer the work to my own office. It will save correspondence between myself and the District Medical & Sanitary Officer, and perhaps ensure better supervision on the part of Tahsildars and subordinates. An extra clerk on Rs.20 will have to be appointed in my office instead of the District Medical & Sanitary officer's office as the additional work cannot be efficiently performed by the General establishment without
