Orders No 699 9/17/11/98

SIR,

With reference to your letter No 6425 dy 28-10-98 to the Secy to Govt, Local Dept, I have the honour to forward for the information of H.H. the Nizam's Govt Copies of G.O. No 679 G. dy 15-9-98 and my Orders No 302 dy 21-10-98, and to state that as the tickets of railway passengers from infected places will either bear the special punch mark ✠ or the word "Plague" endorsed on it, which they proceed direct to their destinations direct or after breaking their journey at an intermediate Station, it seems unnecessary to order that

the names & addresses
of the passengers should be
communicated to offices of Hth
Govt. Such intimations ~~can seldom~~
are generally useless because
in the first place they seldom reach the offices concerned
before the arrival of the passengers
and secondly the passengers do not
give correct addresses or take
tickets to one station and alight
at another. But if, as has been
noted in this Presy, their tickets
are punched with the special
mark or endorsed with the word
Plague, they cannot escape detection
at whatever station they
may alight.

I enclose, for your information, a copy of a letter No. 1718, dated the 21st October 1898, from the Superintendent Railway Police, Secunderabad, on the subject and shall be glad if the necessary instructions can be issued to secure that the Plague Officials in His Highness' territory are regularly informed when travellers from infected areas in the Madras Presidency alight at intermediate stations and obtain fresh tickets with the object of concealing the fact that they are travellers from an infected area.

I beg to request that arrangements may be made for the information laid down in paragraph vi of Hyderabad Residency Notification No. 34 of the 17th January 1898, being communicated to the Plague officials in Hyderabad territory, in the same way as the information is now communicated by the Police and Plague officials in Hyderabad territory to the officials in the Madras and Bombay Presidencies.
