SUBJECT

Election of Councillors, Nellore Municipality

Secy.

FOR ORDERS.

The tenure of office of four Councillors of the Nellore municipality having expired on the 28th November last, the Collector of Nellore recommended the re-appointment of one of them, viz. J. Somasundara Mudaliyar, who is a retired first grade assistant Conservator of Forests and the appointment of three new persons in the place of the others, whose attendance was not satisfactory. The members of the Nellore rate-payers' Association, however, submitted a memorial to Govt. requesting that the four vacancies might be filled up by election as the privilege of electing six out of the eighteen Councillors had been restored to them under G.O. No. 2260. m. dated 15th October 1897, and stated that if those vacancies were filled up by nomination

His. Order. No. 711 m. dated 4/4/98

nomination, instead of by election, but it would be two or three years before the rate-payers could have six elected members on the Municipal Council and that it would be extremely hard that they should be compelled to wait for such a long period for the full enjoyment of the privilege, which the Govt. has so graciously restored to them. The Collector of Melbourn, to whom this memorial was referred for remarks, states that the only objection to filling up the four vacancies by election is that, as the election rules stand at present, a period of at least two months must elapse before the elections are held and adds that he is informed that the voters' lists are ready for publication.

Ant. 606-2

2. From the list showing the present constitution of the Municipal Council, it is observed that the next six vacancies on this Council will occur only on the 26th July 1898, 15th August 1898, 12th November 1898, 24th March 1899, 5th May 1899 and 30th June 1899, respectively so that if the present vacancies be

be not filled up by election, it will be nearly fifteen months before the full complement of elected members can be secured. The privilege of electing six of the Councillors having been restored to this Municipality in G.O. N^o 2260. M. dated 15th October 1897, it seems but fair that the rate payers should enjoy the benefit of the franchise as early as possible. The delay of two months which the Collector states will occur, if the vacancies are to be filled up by election, is not much. It is therefore submitted that the vacancies in question may be filled up by election. The draft order on the current ^{N^o 2194 M} is submitted for approval.

To

Governor-in-Council,

The Memorial of the Nellore Ratepayers' Association by M. V. SUBBA ROW, Secretary.

RESPECTFULLY SHEWETH :—

That the Nellore Ratepayers' Association gratefully acknowledges the restoration to the ratepayers of Nellore, the right of electing one-third of the number of the members of the Nellore Municipal Council, and takes this opportunity of conveying its feelings of thankfulness for the prompt consideration paid by your Excellency's Government to the memorial of the ratepayers on the subject.

2. That the Nellore Ratepayers' Association begs to express that it feels it desirable that the privilege so graciously restored to the ratepayers should be allowed to be exercised at the nearest possible date. This view of the Association derives support from the circumstance that the ratepayers of Nellore had been enjoying not only this privilege, but also the privilege of having an elected Chairman before the year 1891, when both these privileges were taken away from them. The appropriateness of this desire will also appear in view of the necessity of realizing the policy, and carrying out the requirements of the latest amendment of the District Municipalities' Act, at as early a date as possible.

Case 4318m
97
 3. That the Nellore Ratepayers' Association begs to state that there are at present four vacancies on the Municipal Board and the Collector is contemplating to send up his nomination to the Government with reference thereto.

4. That the number of seats now allowed to be filled up by election is *only six* and that if the present vacancies be filled up by nomination it will be several years before the ratepayers shall be able to have the *six* elected Councillors on the Municipal Board. The association learns that it is not possible to have the full complement of elected members before the lapse of next 2 or 3 years.

5. That the association submits that it is extremely hard that so many as *four* vacancies should be filled up by nomination after the right of electing *six* Councillors has been granted to the ratepayers, and while all that remains to be done is to carry out the grant and that the ratepayers should be compelled to wait for the full enjoyment of the privilege for 2 or 3 years, after the grant thereof.

6. That under the circumstances stated above, the Nellore Ratepayers' Association humbly requests your Excellency's Government to order that the present *four* vacancies should not be filled up by nomination and that steps should be taken to fill them by elected Councillors.
