ORDER. No. 712 Muzis D 4/3/98

The Government is of opinion that the council's nominee is not a suitable person for the appointment of secretary of a large municipality like Negapatam. As the salary proposed is adequate to secure the services of a much more competent man, the municipal council is requested to select such a candidate.

2. The Government adheres to its opinion that more of the Chairman's powers may be delegated to the secretary and that he should have full power to appoint, fire, suspend and dismiss all servants of the municipal council on salaries not exceeding Rs 15 per mensem. The council accordingly requested to reconsider

Appointment of Secretary—
Negapatam Municipality.

FOR ORDERS.

In its resolution
S. of the 2nd December 1897, recorded in
the Government order read above,
the municipal council of Negapatam
proposed the appointment of a
Secretary on a salary of Rs 150, rising
to Rs 200, by annual increments of
Rs 10, and the delegation to him of
the Chairman's powers under section
42 of the Act, as regards the servants
employed in the municipal office
and in the collection of municipal
revenues, observing that the question
as to what other powers might be
delegated would be determined
by the council after the Secretary
was selected and appointed. The
Government has considered
that before it could sanction
the appointment of a Secretary

its resolution in this matter. In
this connection, the council's special
attention is drawn to the Collector's
remarks in paragraphs 2 to 4 of
his endorsement.

he its resolution in the matter and
report the result. It was however point-
ed out to the council that the Chair-
man's powers under certain sections
therein specified might be delegated
to the Secretary, that the Secretary
should have control over the con-
servancy and other outdoor staffs
and also have full power to ap-
point, fine, suspend and dismiss
all servants of the municipality
on salaries not exceeding Rs 15 per
mensem.

2. With the letter read above,
the Chairman forwards two resolutions
of the municipal council of the 13th ^{T.}

To

THE MUNICIPAL COUNCIL,

Negapatam.

GENTLEMEN,

I beg to bring the following few lines to your unanimous kind consideration and favourable orders.

I have been working in the Registration Department as Sub-Registrar for the last 12 years during which I have been placed in charge of several important stations such as Uttunapalayam, Periyakulam, Tirumangalam and the like in the Madura District (Please vide enclosures 14 to 19).

I beg to bring to your kind consideration that during my service I have worked as Chairman in Unions and Municipalities, as member in the Taluk and District Boards. In one and all of these special appointments I have, by my good behaviour and hard work coupled with real interest, given complete satisfaction as will be seen from the copies of Testimonials and other papers herewith submitted.

That I have gained the good will of the Public at large, will be evident from the enclosed copy of news-paper cuttings. (Enclosures 12 to 13).

I beg to add that in consequence of my having personally superintended and devoted much of my time to the work of Municipal Overseers, I may confidently say that I possess the knowledge required for directing and scrutinizing such public works as are generally executed in Municipalities.

My long experience as Municipal Chairman, my earnest and ardent desire to do good to the public and my hope that I may shine well in the municipality is my only motive to seek for service in any municipality even in preference to the quiet life of a Sub-Registrar.

Being given to understand that a paid secretary is to be shortly nominated to the Negapatam Municipality I beg to offer myself as a candidate for the same and pray that in kind consideration of the faithful services rendered by me for Local Self Government you will all be unanimously pleased to confer on me the proposed secretaryship.

Permission to apply for secretaryship in the municipality is herein appended.

I beg to remain,

GENTLEMEN,
Your Most obedient servant,

S. S. S. S.

He performs his duties with great interest and care. He is ever watchful and solicitous of public convenience and consequently is popular wherever he goes. He very willingly extends his usefulness as a citizen by devoting his time and attention to Municipal Union and other matters. Two farewell addresses were given to Mr. Syed Alaudien Sahib avl. Sub-Registrar of Thirumangalam on the eve of his departure from that place to Kumaratchi on promotion, one by the Union Club, and another by the school-masters of the L. F. School. The latter was presided by M. R. Ry. T. Panchabakesa Iyer avergal B.A. B.L. Sub-Magistrate of Thirumangalam. All deeply regret the loss sustained by them by his transfer. He was very popular and loved by one and all. In this place he did much good. By his indefatigable zeal he brought about the organisation of the Union Club, with a Tennis court attached to it. In this town where education was not at all encouraged by any authority, a L. F. School, with sufficient staff and a gymnasium attached to it was established through his exertions.

The number of students on the rolls when the school was taken charge of was 75 and now the strength of the school comes to nearly 150. When the school was placed under his immediate supervision, he took steps to collect any remnant of the old outstanding subscriptions. With the amount realised through his exertions and perseverance, he got the local fund authorities to sanction a sum of nearly Rs. 3,000 towards the extension of the present building. The school is now raised to the 6th standard and has 6 teachers. He had an eager desire to see the school raised to the standard of the Middle school. But owing to the misfortune of the students as well as the people of Tirumangalam the sudden transfer came. The transfer of this gentleman is really a great loss to this place.

2. The powers which the Council has resolved to delegate to the Secretary fall very far short of those specified in Government order N^o 130 No. 110 dated 18th January 1898. The most conspicuous omissions are the powers of imposing and revising the assessments on Arts, Houses, Buildings etc (sections 54, 66 et seq.) which according to the Council's resolution will be retained by the Chairman. In spite of this, the Chairman speaks of the Secretary entering on his duties by the middle of March in time to take up the revision of assessments for the ensuing financial year, a business with which under the ^{proposed} ~~present~~ Rd apportionment of powers, he will have nothing to do.

3. Another anomaly is that although the Secretary will be placed in charge of the conservancy and Lighting departments, he is not given the power of imposing so much as a

two anna fine on a tōty or lamp lighter.

4. The resolution of the Council to consider the delegation of further powers after the Secretary joins, is opposed to expressed wish of Government, to know definitely what powers will be vested in that officer, before sanctioning his appointment on the proposed pay. Mr. Andrew has already once referred the matter back to the Council for reconsideration - drawing particular attention to Government Order N^o. 130 M. M. dated 15th January 1898, and I see no use in referring it back again -

5. As regards the candidate selected, the choice of the Council appears to be an excellent one -
