N. 52.

Municipal Office,
Walajapet,
28th January 1898.

From

E. H. Wallace Esq. M. I. C. S.,
Chairman, Ex. Office,
Municipal Council,
Walajapet,

To

The Secretary of Government,
Local and Municipal Department,
Fort Saint George.

Sir,

I have the honor to request
the sanction of Government for the revised
scale of License Fees for Dangerous and
Offensive Trades, as suggested in the ac-
companying list, under Section 188 of the
District Municipalities Act IV of 1884.
2. In the grant of licenses for storing
or dealing with manure &c., much dis-
cretion has to be used. Such practice,
if allowed indiscriminately within Municipal
limits, will deprive the Municipality of
a considerable portion of house-refuse,
offensive or inoffensive and of a good portion
of

of income from sale of rubbish daily collected and ultimately sold as manure in conservancy depots of the Municipality.

The grant of such licenses is calculated to induce private individuals to join together as a company and form a large storage of manure by paying small license fees.

The Municipality realizes
Rs 750 or Rs 800 every year from sale
of house-rubbish collected in dust-bins
and of other street-rubbish.

This income is expected to double itself in course of time, as a result of more careful attention now being insisted on to the scrupulous clearance of back-yards of private premises and of stringent measures that are being taken to see that rubbish of any kind therein does not accumulate for more than 24 hours. (Vide Sections 216, 218 and 221 of the Act.)

3. A certain place used for a yard for dyeing cloths is used by several cloth-dyers

cloth-dyers jointly and much nuisance
is committed. The refuse - drains soak
into the side-drains in the public street
and the spot is very offensive to sight and
smell and dangerous to health. The
Municipality has to adopt proper remedial
measures at a great cost.

I request that a reasonable rate of Licence Fees be fixed for the purpose.

I have the honor to be,
S.

I have the honor to be,
Sir,

your most obedient Servant,
