From

The Plague Commissioner,
Madras

Through The Accountant-General

Sir,

I have the honor to forward
herewith for the orders of Govern-
ment Copies of the marginally
noted letters from the Chairman
Municipal Council, Refapata,
requesting payment of the con-
tributions said to be due to the
Municipality from Provincial
and Local Funds, under para-
graph 5 of G.O. no. 576 Financial
dated 4th July 1898.

No 369 of 30-8-98
No 511 of 8-10-1898

2. There are two Statements of expenditure forming enclosures to the Chairman's letters. The 1st Statement received with the 1st letter of the 30th August shows charges incurred from March 1897 to July 1898. Of these, the expenditure from March 1897 to 31st March 1898 amounts to Rs 268-13-4 and the expenditure from 1st April to July 1898, to Rs 80-15-4. The Statement received with the 2nd letter includes charges amounting to Rs 238-5-6 incurred in August and September 1898.

The total for the period previous to 1st April 1898 is Rs 268-13-4, and for the period subsequent to that date, Rs 319-4-10.

3. The Chairman thinks that under para 5 of G.O. no.

576. Financial, dated 4th July 1898 made in G.O. no. 689 P dated 18th July 1898, all plague charges incurred by the Municipality should be borne half by Provincial Funds, and the other half by Local and Municipal Funds in equal proportions.

4. The Chairman has no doubt misinterpreted the order but he may, I think, claim that expenditure incurred expressly for the purposes mentioned in para 2 ii of the G.O. may be redistributed among districts (vide margin). I beg to know if this can be done.

Compensation paid for waste paper destroyed 73-0-3
Wages of the watchman over the disinfection shed on the beach established under G.O. no. 367 Marine for June 98-5-9-7
for July & August 98-12-0-0
Total 90-9-10
