In continuation of the personal interview I had with you at the beginning of this month on the subject of my taking 2 months leave in continuation of the Hot-weather vacation, I have the honour to forward a copy of my letter to the Accountant General and his reply thereto.

2. I have been here since 4th August 1890 without any leave beyond Casual and vacation leave, and am very anxious, after nearly 29 years continuous work as an Educationist in Southern India, to go home for 4 months. This I am unable to do

do under the rules without sacrificing Rs 1000 of my pay. I am prepared to sacrifice Rs 500 – half pay for 2 months, but shall not be able to avail myself of leave if I am unable to draw full pay for the vacation period of 2 months.

3. I do not know why Municipal Servants, – who are not eligible for pensions, – should be placed so strictly under the Civil Service Regulations as regards leave, and I have the honour to request that the matter may be referred to Government with a view to some relaxation of the rule, – as a special case in my favour at least. I believe I am the sole European at present in Municipal Employ as an Educational Officer.

The Honorable Mr. D. DUNCAN, M.A., D.SC., LL.D.,

To

The SECRETARY TO GOVERNMENT,
Local and Municipal Department,
through the Accountant-General, Fort St. George.

Sir,

I have the honour to submit, for the favourable consideration of Government, a letter from Mr. Barrow, Principal, Victoria College, Palghat, in original with enclosures, requesting that some relaxation of the rules regarding privilege leave allowances may be made in his favour, as a special case, for the following reasons:–

(i) The strict enforcement of the Civil Service Regulations in the case of Municipal servants like Mr. Barrow, who are not eligible for pension, would be a great hardship and would, in Mr. Barrow's case, cause such a loss of pay as would make it almost impossible for him to enjoy the rest which is so necessary after nearly 29 years' continuous work as a European educationist in Southern India.

(ii)

Ed. Cor. 6 1,000—28-10 97

1) During Mr. Barrow's absence on privilege leave
he College will be closed for two months for the Hot
eather vacation which begins on 7th April; and,
Consequently, payment of his full pay for this
period would not involve any extra expenditure
from municipal funds. Whereas, if the leave rules
ere strictly enforced, it would only result in some
avings to the Municipality. If the Municipal
Council is willing to allow full pay to Mr. Barrow
or the vacation, I see no reason why such a
oncession should be disallowed. Seeing that this
s the very first time that Mr. Barrow goes home
fter many years' continuous work in this country,
I would strongly recommend that the rules re-
garding privilege leave be relaxed, if possible,
n favour of one who has worked so hard in the
ause of higher education and who is not eligible
or pension like his brethern in the Indian
Educational Service.

I have the honour to be,
Sir,
Your most obedient Servant,
D Duncan
Director of Public Instruction
