C. No 1174

Progs. No 7308

The estimates submitted with the letter read above are sanctioned.

2. With reference to the query in para. 4 of the letter, the P.C. observes that though sanction of the Local Bd. concerned is necessary for incurring expenditure ~~is~~ debit able to local funds, the Collector may incur <sup>such</sup> expenditure on the ground of urgency in anticipation of sanction.

All proposed expenditure in connection with plague should be reported to the P.C. with reference to para 2(5) of G.O. No 1122 P. dt 20-9-92. It is not necessary to obtain the sanction of the Local Board, as expenditure can only be incurred against allotments sanctioned by Govt - vide para 4 of G.O. No 86 P. dt 11-10-92

18/11/98.

18/11/98

18/11/98.

Note.

The cost on account of the sheds ~~is~~ at the rate of about 5 as per Sq. ft.

To The Collector of Salem.  
P. Progs.

Submitting plans & estimates for the front view inspection station & requesting to be informed whether estimates for better construction & repairs should be sanctioned by the C.W. or by the D.C. Board.

# Stationwar List - as actually constructed.

Ref No. 378

SALEM COLLECTOR'S OFFICE,  
 9<sup>th</sup> november 1898.

FROM

Robert B. Clegg Esq.,

ag. COLLECTOR AND DISTRICT MAGISTRATE,

Salem,

TO

Plague

THE SECRETARY TO THE COMMISSIONER, or

Fort Santh George,

Madras.

SIR,

With reference to the letter of the 10<sup>th</sup> of 1898 dated 5<sup>th</sup> September last I have the honor to submit herewith plans and estimates for the road frontier inspection stations in the Hosur Taluk. The enclosed list shows the no., description and cost of the sheds constructed at each station. At Surwadi there are two observation sheds, one for males and the other for females, each containing 4 compartments 12'x10'. The plague shed measures 36'x15' divided into three compartments 12'x15' each. They may be used for males or females as occasion demands. At Komaranapatti the male and female observation sheds

measure 16x10 and there are two plague sheds one for males and the other for females each being 12x12. At Barikani and Lummalaapuram the male observation shed is of the same size as that at Susevad while the female observation shed consists of two compartments. The plague sheds at each of the stations provide accommodation for 3 patients.

2. At Kagganur and Kottakondapalli there are no observation or plague sheds persons to be kept under observation being sent to Bagalur and Susevad Camps respectively. vide G.O. no. 1102 P 5717<sup>th</sup> September 1898.

3. The Sheds at Bagalur were being completed when they were burnt by some budmashes as already reported. A fresh site in an unobjectionable locality has since been selected remote from the village of Bagalur and fresh buildings with tiled roofing are under construction.

The

The tiled sheds are estimated to cost Rs 548 as detailed below:-

|                                                                                          |            |
|------------------------------------------------------------------------------------------|------------|
| 1. Plague shed consisting of 3 compartments each 12x12 with a verandah in front 5' broad | 150        |
| (2) One female observation shed 24x10' divided into 2 compartments of 12x10' each        | 76         |
| (3) One male observation shed 48x10' divided into 4 compartments of 12x10' each          | 144        |
| (4) Dispensary shed 24x12'                                                               | 90         |
| (5) Guards shed                                                                          | 40         |
| (6) Three Kitchens                                                                       | 48         |
|                                                                                          | <u>548</u> |

As for latrines they are proposed to be constructed with the materials available at the site of the old sheds burnt. These estimates are also submitted.

4. In this connection, I have to state that plague sheds have been built at Hosur

Krishnagiri and Suramangalam.

according to requirements. Sheds are also being  
 built near the Paclur Railway station  
 accommodate the Special Hospital Assistant  
 and the two Police Constables who have been  
 deputed there to assist the Station master  
 in issuing passports and working irregular  
 Muzaffar Regulation. 18.2.1900 I request to  
 be informed whether I may sanction these or  
 should send them to the District Board for  
 sanction.

I have the honor to be,  
 Sir,

your most obedient servant,

For as collector
