PROCEEDINGS OF THE PLAGUE COMMISSIONER.

READ—the following papers:—

From MAHOMAD RAZA KHAN, Esq., Collector of Kurnool, to the Plague Commissioner, Madras, dated 27th October 1898, R.C. No. 2790-Genl.

I have the honour to request to be informed whether I am correct in deciding that the hospital assistants required to inspect passengers at railway stations under G.O., No. 893 P., dated 24th August 1898, are entitled to a local allowance of one-fifth of their salary and come under clause (b) of paragraph 2 of G.O., No. 1153 P., dated 23rd September 1898.

2. I also request instructions on the following points:—

(a) Whether G.O., No. 1153 P., dated 23rd September 1898, applies also to apothecaries inspecting passengers at railway stations as at Nandyal.

(b) Whether hospital assistants and apothecaries are to be given conveyance allowance in addition to the allowance under G.O., No. 1153 P., dated 23rd September 1898, as for instance in the case of medical subordinates at Nandyal, Cumbum and Markapur road where they have to travel 2 miles, 1 mile and 3 miles, respectively, daily while going from the village to the station and the same distance while returning home.

(c) Whether the charge allowance of the apothecary who was formerly in charge of the dispensary at Cumbum and who is now transferred to the road frontier inspection station of Tandrapad near Kurnool is to be stopped in consequence of his not having charge of any dispensary. This apothecary was being paid Rs. 100 pay Rs. 50 charge allowance when he was at Cumbum and the same amount is being paid to him at Tandrapad. What other allowance is he entitled to if the charge allowance is to be disallowed?

Ref. on C. No. 895.

Forwarded to the Accountant-General for favour of opinion.

31st October 1898.

(Signed) M. HAMMICK,
Plague Commissioner.

From W. J. F. WILLIAMSON, Esq., Assistant Accountant-General and Inspector of Local Fund Accounts, to the Plague Commissioner, Madras, dated Fort St. George, 14th November 1898, No. L.F.D.—565.

With reference to your endorsement No. 895, dated the 31st October 1898, on letter No. 2790, dated 27th October 1898, from the Collector of Kurnool, I have the honour to state as follows in reply to the points therein referred to:—

(1) Hospital assistants are entitled to a local allowance not exceeding one-fifth of their salary only when they are required to do additional plague work such as the inspection of passengers by rail, &c., which is entirely outside the sphere of their ordinary duties. I gather from this that a man who is relieved of his ordinary duties in order that he may inspect passengers at his own station is entitled to no allowance.

(2) G.O., No. 1153 P., dated 23rd September 1898, only applies to hospital assistants. The allowances of civil apothecaries are regulated by article 51-A of the Local Fund Code.

(3) No conveyance allowance is admissible to hospital assistants and apothecaries unless specially sanctioned by Government.

(4) The apothecary in question may continue to draw the charge allowance he was getting at Cumbum provided he is not drawing the special plague allowance of Rs. 25 (vide article 51-A of the Local Fund Code).

PROCEEDINGS—No. 732, dated 19th November 1898.

The Assistant Accountant-General's letter is communicated to the Collectors of Kurnool with reference to his letter No. 2790, dated 27th October 1898.
