Letter No 2339 dated 16th November 98
from the Collector of Trichinopoly requesting
that necessary steps may be taken to
print the names of all the Railway stations
situated within plague infected areas
and to communicate the same to all
passport issuing officers

Order no 738 Mis dated 19th Nov. 98
Under the instructions contained in G.O
No 1326 P dated 13-10-98 and Plague
Commissioner's Proceedings No. 302 dated
21-10-98 the ticket of every passenger
who comes from an infected area and is
therefore required to obtain a passport
will either bear the special punch mark
or be endorsed with the word "plague"
in red ink. Every passenger who has
such a ticket must be given a passport
and the proposed list of railway stations
seems unnecessary. All stations inside
the Bombay Presidency and all stations
in Mysore, and Anantapur District and
the Alur Taluk Bellary District and all
stations from Bangalore to Jolarpet are
within the infected areas. It seems very
doubtful whether a list of stations which
are very numerous would answer any purpose.
A reference to the list would take a considerable
time. The Collector, however, can have
such a list made and printed for his district
if he thinks advisable. The marks on the tickets
are found sufficient elsewhere.

From R. H. Shipley Esq.,
Collector of Trichinopoly,
To The Madras Commissionsers,
Madras.

Sir,
I have the honour to inform you
that the District Medical and Sanitary
Officer, Trichinopoly, suggests
that it would serve a very use-
ful purpose if the names of all
Railway Stations situated within
Plague-infected areas were print-
ed and communicated to all
passport issuing officers. I concur
with him in his opinion and request
you will be good enough to cause neces-
sary steps being taken in the matter.
