Coimbatore DISTRICT COLLECTOR'S OFFICE,

25th July 1898.

FROM

J. A. Cumming Esquire,
Ag. COLLECTOR OF THE
Coimbatore DISTRICT,

TO

THE SECRETARY TO GOVERNMENT,
Local & Municipal DEPARTMENT,
Madras.

SIR,

With reference to para 5 of Government Order No. 396 P., dated 27th April 1898, I have the honour to report that Coimbatore Town had already been divided into circles under the Rules for combating Cholera. These circles are the same as those required under rule 3 of Government Order No. 522 M., dated 13th March 1897.

2 Erode and Karur have not been so treated. The population of these is 12,33 and 10,750 respectively and until recently they had not been divided into Wards. Each may be regarded as one circle or if this is considered too large a charge the wards approved in Government Order

Mis. No 766th dated 15th April 1898 and No
1012 M, dated 3rd June 1898 may be treated
as circles and each town as a division.

3 For Coimbatore town I think an
officer of the Staff Corps would be required
with a European Inspector of Salt and
Abkari Revenue (or similar grade) for
the charge of each division, while an officer
of the latter grade would be required for
each of the towns of Erode and Karur.

I have the honour to be,
Sir
Your most obedient servant
J. B. [Signature]
Ag. Collector.
