The sale of the lands shown as items 2, 3 and 8 in the list is sanctioned, on the conditions specified by the Head Assistant Collector, but that of items 4, 6 and 7 must be disallowed as it appears to be objectionable.

ENCLOSURES.

SUBJECT.

Copy of the letter No. 2653, General of 1897 dated the 15th December 1897, from the Head Assistant Collector, Kistna, to the Collector, Kistna.

With reference to your letter Re No. ^{English} 98M of 1897, dated the 30th November 1897, I have the honor to state that I have inspected the items of land, assigned by the Betwada Municipal Council for building purposes in the Betwada Municipality, the lists of which were forwarded to me in your letter quoted above, and to report as follows about those items regarding which you ask my opinion :-

Item No 2. — This site is not yet built on; the assignee wishes to build his wall a few feet further forward and in a line with the walls on either side. I see no objection to this, provided the wall be not made higher than that next to it.

Item No 3. — There is no objection to the assignment of this site, provided the wall to be built be not made higher than those on either side.

Item No 4. — This site has already been built upon. I think that the sale of this site is objectionable as the public street is slightly contracted thereby.

Item No 6. — The sale of this site is most objectionable. A building has already been constructed and it will be certain to cause inconvenience to the Public at some time in the future. The site is exactly at the point where two streets become one (vide figure in Margin).

Item No 7. — Site is already built upon, but I think it is objectionable as it contracts the street — The

person, owning the house next to the assignee of this land, was allowed to build a pial to his house some years ago; I think this was a pity, but it cannot be helped now. However, this is no reason why the present item of land should be sold, and I recommend strongly that the sale be not confirmed.

Item No 8. — I see no objection to this assignment of land.

2. I recommend therefore that the sale of items nos 4, 6 and 7 may not be confirmed. I see no objection to the sale of items nos 2, 3 and 8.

3. The lists enclosed in your letter under reply are returned.
