Dr.

Sir I reply to your telegram of the 19th last to Govt which has been transferred to me for disposal. I have the honor to inform you that

as

SUBJECT.

Requesting to direct the Medical officer at Erode Junction to telegraph to Mr. Bawa, Jaticorin, when passengers pass from Bangalore to Jaticorin.

as there is no proper medical officer at Erode, while there is an inspecting station under Surgeon doctors at Jalarpet at which all passengers from Bangalore are examined, I have instructed the medical officer in charge of that station to telegraph to Dr Bowes all cases of passengers from Bangalore proceeding to Trichinopoly. I shall be glad to know if this arrangement will suit the Ceylon Government. Under our present system the tickets of all passengers from infected areas either bear a special punch mark like that noted in the margin or are endorsed 'plague' in red ink, so that there is no difficulty in identifying them.
