Sir,

With reference to the Appendix to G.O. No. 596 dated 20th June 1898, in which it is ruled that plague charges on account of the observation staff are to be met from the Local or Municipal Funds, the Council observe that the pay and allowance of a Plague Supervisor and a Plague Inspector are to be Rs. 195 and Rs. 75 respectively, per mensem. But from the rules embodied in G.O. No. 522 M. dated 13th March 1897 for combating the Bubonic Plague in Municipalities, it will be seen that the salary and allowance of a Divisional Inspector - the most important subordinate of the staff - cannot exceed Rs. (35 + 15) 50 per mensem. The Council

therefore consider that, in these circumstances, the rules embodied in G.O. n^o 522 M. may be revised with a view that they may not be at variance with regulations embodied in G.O. n^o 93 O dated 26th February 1898 and the appendix to G.O. n^o 596 P dated 20th June 1898. The resolution of the Council on this subject passed on the 20th July 1898 is subjoined for the information of Government.

Present.
