Notification for the Secy.
FOR ORDERS.

J. Bannerman has been
lent to Bengal on the distinct
understanding that he should
return immediately should plague
break out in this Presidency.

There seems no objection to the issue
of a formal notification transferring
his services temporarily to the Govt
of Bengal. This may issue in Public.

2. The Sanitary Commr. is now
in charge of the office of Dy Sanitary
Commr., the outdoor duties of which
have been suspended for about a
year owing to J. Bannerman being
engaged in plague work. There seems
no reason why the office should not
be filled up. If plague breaks out
and if J. B. is recalled, he will
naturally be put on special
duty.

Yes - But in answering
India, don't forget the stipulation
that he must be returned home, if
plague does not break out here. The temp.
transfer to Bengal, I think, is from the date of his
leaving Madras. The more of his being
seen there on plague, the better for us.

H. H. This seems
to be the best. an officer
available to act - Then
ask him to say that in that H.T.
can he should make a room - 31.7.98
notification to H.E. - I suppose it is the
Lg. Commr. nominating H.E.'s approval, by the
way, not the San. Commr. H.H.
