To,

The Collector and District Magistrate
North Arcot,
Chittoor.

Sir,

In reply to your letter No English
no 2482 of 97, I have the honor to
report as follows:—

The net demand under Tax on
arts, not as yet being ascertainable,
owing to the appeals for the 2nd half
of 1897-98 not being disposed of
as yet, the net demand for 1896-97
as arrived at by the Auditor was
accepted as the probable net demand
for 1897-98. Taking this figure
as the basis of ^{estimate} calculation, the sum
of Rs 9000 shown in the revised
estimate under Tax on arts
is composed of the following
items.

It is not safe to
take the net demand
for 1896-97, as under
the amended schedule
of the Act, the revenue
from that tax on arts has
considerably fallen
in many municipa-
lities. Further it is
stated in para 2 of the
sub office note on the
subject, that the demand
for the year was only
Rs 6465.

Net demand of 1896-97 accepted
as probable net demand for
1897-98 ————— 7400—

Arrear Collections ————— 280—

1895-96

Do ————— 290—

Add for pensioners newly
assessed ————— 300—

Add probable amount expected
under supplementary lists
viz. new arrivals & exemptions
of previous years likely to
re-open business in current
year or to be reassessed being
exempted on insufficient grounds
not now existing ————— 730—

Total Rs. 9000—

2. With reference to the allotment of
Rs 2000 under hospital buildings
(new works), I have the honor to state
that Government being urgent about
the construction of a new hospital at
a very early date, and the plans and
estimates for a new hospital being
daily expected, it is surmised that
the whole of the allotment under
this head will be utilized in excavating
foundations, fitting in the same
as also on the basement work within
the current official year. Hence the
provision estimate

This has been
referred to Rs 650
as recommended by
the sub. fol. in para 2
of his endorsement on
the budget. Vice para
740 3334
4-2-98.

The allotment
has been struck
out upon the
recommendation
of the sub. fol.
Vice para 5
of his endorsement
on the budget &
para

provision in the column of the revised
estimate or probable charges during the
last 4 months. I may here add that
the practice of showing this amount
as probable expenditure has been in
vogue for several years and no
exception has hitherto been taken
to it.

Messrs. has been
making provision
for the work year
after year, but has
not utilized it at all
in any year. If
the plans & estimates
for this work become
ready in the current
year, the necessary
funds can be allotted
from the closing balance
of Rs 4300.

3. I regret that owing to certain
records having to be referred to,
there should have been a delay
in reply to your letter quoted above.

I have the honor to be,
Sir,

Your most obedient servant

for 1898-99, I have the honor to
