B Sir,
Adverting to your Telegram
received this day I have the honor
to forward herewith copies of a letter
and a Telegram which I received
from the station master, Guntakal
Junction, from which it will be seen
that the pilgrims have purchased
two second class and seventy two
third class tickets from Hyderabad
to Calicut. In G.O. no. 73 dated 11.1.98
it has been ordered that these pilgrims
to the Nediyaz should be despatched
either in a special train or special

Carriages attached to an ordinary train. There are 74 pilgrims; one carriage holds sixty passengers, and for the remaining twelve 3^d class passengers another carriage is necessary. This, the Madras Railway Company will not attach, unless the fares for the remaining 48 tickets required to complete the reserved accommodation are paid. The manner in which the cost of despatching pilgrims from the observation camps should be met, has been decided by Government order no 171 M dated 24th January 1898. Government have decided to pay the difference which comes to — Rs 275-4-0. A second class compartment contains four seats. To carry the two second class passengers, who have already paid their fares, the fares of the remaining two second class seats will have to be paid by some one. This I declined to do, and suggested that they should pay it themselves or go third class.

2. I spoke to Isa Khan. He wants to make several days halt at Calicut to allow the pilgrims ^{to} go freely about the town, and make their purchases of two months provisions necessary for their

Journey to the Hedgag and back. As the pilgrims are all in excellent health and have undergone 10 days strict observation at Guntakal he urges that no further restrictions on their liberty are necessary at Calicut. The name of the steamer is the Kashmir — owned by Kasim Yusuf and Co Bombay. This steamer company has been requested by Isa Khan to send the vessel as soon as possible — and their last advice is that it will arrive at Calicut not later than the 28th February. The steamer has a medical officer — and hospital and all the other necessaries required by the Act. It will bring a survey certificate with it, so he states that there seems to be no necessity for further survey at Calicut. If the Government be not prepared to allow the pilgrims free to make their own purchases at Calicut, Isa Khan says they might be kept under observation at Bepore rather than stopping at Guntakal any longer where they are getting disheartened. If they once got to sea coast they would feel that they had made another definite step on their way, and would be more content to wait there

till their steamer arrives

I have the honor to
Sir

Your most obedient servant.
