Local Municipal Department Proceedings of the Madras Government

Read the following paper:-

From the Collector of Kurnool, No 14 of 2nd July 1898,
submitting for the sanction of Government a proposition
statement for the entertainment of an Assistant
Plague Inspector for the inspection of the Railway
passengers at Nandyal Station.

Order No. 877. P. Min., dated 22nd August 1898.

The Government is not satisfied of the need of an
Assistant Sanitary Inspector at Nandyal and
considers that the proposal to employ one
should be negatived. It appears that from the
19th May to the 29th June 1898, a period
of 42 days, only 36 passports were issued at
Nandyal, the maximum number for any one
day being 7. The Government is therefore of
opinion that the duty of issuing passports
at that place may be undertaken by the
Station Master without inconvenience to
his work, and requests the Agent, Southern
Maharashtra Railway to issue instructions
accordingly.

2. The ten days' examination of the passport
holders

holders should be conducted by the Medical
subordinate at Pandyal

It is admitted that as the Agent
is apparently not prepared to
comply with the request of the
Madras Port & has addressed the
Consulting Engineer Bombay on the
subject, it would not be right for
this office to write directly to the
Nandyal Station Master. The
result of the communication to
Bombay may be awaited. Till
then the Sanitary Inspector may
continue or be replaced by a clerk
under 15. Mr Spring has written
strongly in a communication that
he should not alienate the sympathy
of the people by making petty demands.
