THE SECRETARY TO GOVERNMENT,
Local and Municipal DEPARTMENT,
Madras,

SIR,

I have the honour to submit the report
called for in para 5 of Government Order
No 396 P, dated 27th April 1898.

2. The municipalities of Conjeevaram and
Chingleput have been divided, in accordance
with rule 3 of the rules printed in Govern-
ment Order No 522 M, dated 13 March 1897,
into two divisions six circles and one division
two circles respectively.

3. Should plague break out, two European
Superintendents and six European supervisors
will be required for Conjeevaram and one
European Superintendent and three European
supervisors for Chingleput. It will be preferable
if all the superintendents be Commissioned
medical officers and if the supervisors be

men of the Civil Apothecary grade. If so many medical men be not available, as many as possible should be medical officers and to make up the required number civil or military officers may be appointed. If the plague become wide spread, the number of officers should be increased according to requirements.

I have the honor to be
Sir,
Your most obedient servant,
Do^g Civil
