N^o 774 M. Mis 18/4/98

The proposed wards in the
Tirupattur M^{unicipality} being
very unequal
in voting power, the first ward
having 174 voters against 47 in
the second, the Collector's report
Order whether a better arrangement
cannot be proposed.

The Collector's suggestion that
Tirupattur should be divided into
two wards for electoral purposes is
approved; but as the estimated num-
ber of voters in the proposed first
ward is more than three times the
number in the second, three elective
seats will be assigned for the first
ward and one for the second ward.

The necessary notification regarding
the division of this town into wards Submitting report in regard
will be published with the election rules to the Division of Tirupattur
which will be issued shortly. and Vaniamhady Municipality.

2. The streets, roads and channels, &c. - Cities into wards for
referred to in the statement of bounda-
ries of the proposed wards of the Vaniam-
hady Municipality, have not been
marked on the sketch, which is herewith
returned. This should now be done and

FROM

C. H. Mounsey Esq., I. C. S.

Acting COLLECTOR OF

Salem,

525 M

TO

THE SECRETARY TO GOVERNMENT,

Local & Municipal DEPARTMENT,

Madras.

SIR,

I have the honor to reply to G.O.
No. 2260 M of the 15th October 1897 in
regard to the division of Tiruppattur and
Vaniembady into wards for electoral
purposes.

2. In reference to G.O. of the 12th June
1885 No 188 M Financial, I propose
as there are to be 4 elected members for
each municipality that ^{each of the two municipalities} they each be
divided into two parts ^{ward} with two
elective seats for each ^{ward} part.

3. In regard to Vaniembady the divi-
-sion only to some extent gives the Hindu

2/525 M of 1898

Section of the Community a chance of electing a member as the Mussalmans are predominant in each division of the town. I propose that one Ward (Ward No I) consist of Periapet, Chennampet, and Amalurpet, and the other of the Fort, Pudur, Govindapuram and Idhaderpet.

4. In regard to Tiruppatur the matter is easier, the Hindus predominating in what I shall call Ward No I consisting of divisions marked A and B in the enclosed map. The other ward comprises divisions C and D inhabited chiefly by Muhammedans and division E (Vengalapuram) recently added to the Municipality and which is inhabited by Vaniass dealing in oil manufacture. The estimated number of Voters in each

each of the wards is as follows

Tiruppatur Municipality

Ward No I — 174 Voters

" " II — 47 "

Vaniemhady Municipality

Ward No I — 299

Ward No II — 231

Lists stating the boundaries of the wards and maps are sent herewith.

5. The term of office of one of the Councillors of the Tiruppatur Municipal Council will expire on the 5th proximo. I think this vacancy should be kept open to be filled up by election after the notification issued in the Government order under reply has come into force viz 9th February 1898 and

and after the rules for the Conduct of
elections in the town have been published.
I request orders.

I have the honor to be
Sir

Your most obedient servant

W. Mowsey.
