OCTOBER.

Election.

Ordering, with remarks, the publication in the *Fort St. George Gazette* and in the District Gazettes concerned of a notification fixing the proportion of municipal councillors to be appointed by — in certain municipalities; requesting the Collectors of the districts concerned, except Nellore, to report whether these towns should be divided into wards for electoral purposes; and directing the Chairmen of these municipal councils to take the necessary steps in advance for the preparation of the voters' lists.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

ORDER—No. 2260 M., dated 15th October 1897.

Section 10 of the Madras District Municipalities Act IV of 1884, as amended by Act III of 1897, provides that, subject to the conditions contained in section 10-A and to such rules and other conditions as may be prescribed by the Governor in Council, the municipal councillors other than the Revenue Divisional Officer shall be partly appointed by the Governor in Council and partly appointed by election by the tax-payers and inhabitants of the municipality or of a part thereof, but that, in a municipality which has not been constituted for three years, all such municipal councillors may be appointed by the Governor in Council; and section 13 provides that the proportion of councillors to be appointed by election shall, unless the Governor in Council otherwise directs, be three-fourths of the total number of municipal councillors.

2. Of the fifty-eight municipalities at present in existence, the elective system is already in force in thirty-six, and in these towns the existing proportion of elected members will continue in force under the orders which from time to time have been specially issued by the Government in their case. Separate orders have been passed regarding the introduction of the elective system in Chicacole and Srivilliputtur. As the municipalities of Chingleput and Tiruvannamalai are not yet three years old, His Excellency the Governor in Council directs that the present system of nomination of councillors shall continue in these towns until further orders.

3. In the remaining eighteen municipalities noted in the margin, in which the elective system is not now in force, His Excellency the Governor in Council resolves to direct that for the present one-third of the total number of municipal councillors in each of these towns shall be appointed by election by the tax-payers and inhabitants. In Adóni, Kurnool, Ongole and Walajapet, however, where the maximum strength of the council is sixteen, the number of the elected councillors shall be five, and in Anakápalle where the maximum strength is thirteen, it shall be four. The following notification will be published in the *Fort St. George Gazette* and in the District Gazettes concerned:—

NOTIFICATION.

Under the provisions of section 12 of the Madras District Municipalities Act IV of 1884, as amended by Act III of 1897, and in modification of the previous notifications relating to the mode of appointment of municipal councillors in the undermentioned municipalities, His

The Collectors of the districts concerned, except Nellore, will be requested to report whether these towns should be divided into wards for electoral purposes.
