GENERAL DEPARTMENT (PLAGUE).

Bombay Castle, 25th July 1898.

No. 4214—4448-P.—In exercise of the powers conferred by Sub-section (1) of Section 2 of the Epidemic Diseases Act, 1897, and of the powers in this behalf conferred by the Governor General in Council under Section 2, Sub-section (3), of the same Act, the Governor in Council is pleased to direct as follows:—

1. The following gentlemen are constituted a Committee for the purpose of carrying out, under the orders of Government, the measures to be taken to suppress and prevent the spread of Plague within the limits of the Municipality of Belgaum and the Belgaum Cantonment—

Mr. W. W. Drew, I. C. S.—*Chairman,*

The General Officer Commanding Belgaum District,

and such other persons as His Excellency the Governor in Council may from time to time appoint.

2. For the purposes of Plague operations the Committee shall exercise the powers of a Commissioner and of a District Magistrate under the General Mofussil Rules (printed in Government Notification No. 1728—1201-P., dated 29th March 1897, and subsequent additions and amendments thereto,) and under the Spence Committee Rules published with Government Notification No. 5391—3495-P., dated 5th October 1897, and subsequent amendments thereto. The Committee shall also exercise authority and control over the whole establishments of the Municipality of Belgaum and the Belgaum Cantonment Committee. They may add to those establishments to such extent as they think necessary and may remove from them any persons whom they consider unfit for their posts.

3. The Committee may temporarily either rescind, suspend, alter or modify any bye-law, rule or order already made or issued by the Municipality of Belgaum or the Belgaum Cantonment Committee, or by any Committee appointed by either of the said bodies, to such extent as they consider necessary or advisable in order to suppress and prevent the spread of the Plague.

4. The Committee may incur such expenditure out of the funds of the Municipality and the Cantonment Committee as they may consider necessary for the performance of their duties, and in order that sufficient funds may be available for Plague operations, they may control the expenditure of the Municipality and the Cantonment Committee on objects unconnected with the Plague.

5. All expenses incurred in carrying out any of the measures hereby authorized shall, in the first instance, be paid out of the Municipal Funds of the Municipality of Belgaum and the Belgaum Cantonment Fund in such proportions as the Committee may determine, but the Committee may recover from any person any amount which such person would, under similar circumstances, be liable to pay to either the said Municipality or to the Cantonment Committee under any law for the time being in force.

6. The powers conferred upon the Committee by these rules may be exercised by such persons as they may from time to time empower in that behalf. All persons so empowered will, however, act subject to the control of the Committee.

7. Disobedience to any orders issued under these rules by the Committee or any person acting under their authority will subject the offender to a prosecution under Section 188, Indian Penal Code.

A. CUMINE,

Acting Secretary to Government
