and that as D. M. <sup>has</sup> the Collector can  
~~direct~~ <sup>order</sup> S. H. O's to report arrivals

to the local authorities.

Informing the Collector of Chingleput that no change in — is necessary at present and that as District Magistrate he can order Station-house Officers to report arrivals from infected areas directly to the local authorities.

GOVERNMENT OF MADRAS.  
LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

From M. YOUNG, Esq., Acting Collector of Chingleput, to the Secretary to Government, Local and Municipal Department, dated Saidapet, 3rd August 1898, Ref. on No. 605 G. & B.

Regulation 1 of the original Mufassal Regulations requires every householder and every keeper or person in charge of a hotel, chuttram or other place of public resort to report the arrivals at the house, hotel, chuttram or other place of public resort to the nearest station-house officer. In the case of villages where there are no police stations, it will not only be inconvenient for persons to make the report to this office, but there will also be unnecessary delay as the nearest station-house officer has to give intimation to the Divisional Magistrate and he to the local authority who is responsible for making observation under Regulation 17. It will, I think, be sufficient if the report is made to the local authority. I have the honour to suggest that Regulation 1 may be amended accordingly.

ORDER—No. 793 P., dated 12th August 1898.

The suggestion of the Collector will be borne in mind, but the Government is of opinion that no change in Regulation 1 is necessary at present. As regards the delay which is feared by the Collector, it is open to him as District Magistrate to direct that the station-house officers report arrivals from infected areas directly to the local authorities.
